- Add item to the menu
- Remove an items from the menu
- Retrieve the Menu
- Filter the menu by category

Promotion running

- Ability to create coupons
- Edit Coupon

Demos

Demo	Feedback
Promotion Running	Works, just needs to be updated to properly relate with menu items
Menu Editing and Handling	Doesn't work properly still, but doesn't internal errors
Ingredient Tracking and Management	Ingredient tracking works as expected, resources get added/deleted as they should
Item Editing and Handling	Item editing and handling works as intended, pretty straight forward to make them.

Complete tasks

Mark work items "Done" that met acceptance criteria. For items that need more work, determine if they will move to the next sprint or back to the backlog.

Item Editing and Handling

- Done (Pending push to repo)

Ingredient Tracking and Management

- Done

Menu Editing and Handling

- Debugging still
- Will finish in the second sprint

Promotion Running

- Mostly done, pending menu functionality
- Finish in the second sprint

Upcoming

Add action items coming out of the sprint review meeting.

Fix Menu Editing and Handling

Finish Promotion Running
